

Freelance Software Services Agreement

Arjun Mehta (Freelancer) and Northstar Retail Private Limited (Client) - Effective 1 October 2026

This fictional agreement exists only to test contract analysis. Names, companies and terms are synthetic.

1. Engagement

Client engages Freelancer to design and implement a retail analytics dashboard over a twelve-week term. Freelancer will act as an independent contractor.

2. Deliverables

Deliverables include a responsive web dashboard, an application programming interface integration, deployment notes and reasonable knowledge-transfer material.

3. Fees

The fixed professional fee is INR 4,80,000 plus applicable taxes, invoiced against the milestones described in Schedule A.

4. Payment and acceptance

Payment shall be due within sixty (60) days after Client's written acceptance of the applicable Deliverable. Client may withhold an invoice while any Deliverable remains disputed.

5. Revisions

Freelancer shall make all revisions requested by Client until Client is fully satisfied, at no additional charge.

6. Expenses

Pre-approved travel and third-party service expenses will be reimbursed against valid supporting documents.

7. Work Product

All right, title and interest in the Work Product shall vest in Client immediately upon creation, whether or not payment has been made.

8. Portfolio restriction

Freelancer shall not display, describe or refer to the Services or Work Product in any portfolio or marketing material.

9. Confidentiality

Each party will protect the other party's confidential information using reasonable care and use it only to perform this Agreement.

10. Termination

Client may terminate for convenience on five (5) days' notice; Freelancer may terminate only on thirty (30) days' notice.

11. Liability

Freelancer's liability under this Agreement shall be unlimited and shall include all indirect, special and consequential losses.

12. Governing law

This Agreement is governed by the laws of India. The courts at Bengaluru, Karnataka shall have exclusive jurisdiction.
